

# HANDWRITING GROUPS

## What do these groups focus on?

These groups are designed to improve skills and learn strategies to support handwriting. They have been running for ten years and continue to have positive outcomes for handwriting and feedback from parents as well as being enjoyable for children!

The Year 1-2 Group focuses on posture, pencil control, letter formations, placement, sizing and spacing

The Year 3-4 Group focuses on structuring written text in addition to the areas above.

## Why choose this group?

They are designed to identify why your child is experiencing difficulty with handwriting and address ways to improve it in a fun, supportive and safe environment.
